RE: City of Charlotte/Charlotte Douglas International Airport Land Use Assurance

Dear Mr. Dupree,

The City of Charlotte, Sponsor for Charlotte Douglas International Airport, provides this written documentation to affirm its assurance under 49 U.S.C. § 47107(a)(10) that appropriate action, including the adoption of zoning laws, has been or will be taken, to the extent reasonable, to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including takeoff and landing of aircraft.

In furtherance of this assurance, the City's Aviation Department will continue to work closely with the Charlotte-Mecklenburg Planning Commission, the entity with authority over land use control in this jurisdiction, to ensure appropriate land use regulations related to airport land use compatibility are adopted and enforced.

Sincerely,
